

# ERA

C E N T E R

**POSITION TITLE: Part-Time Marriage and Family Therapist Associate**

At Era Center our mission is to empower survivors of sexual trauma and bring healing and advocacy to impacted communities. We are a specialized team providing intersectional services that address the physical, emotional, and psychological effects of sexual assault. Era Center is committed to creating a more trauma-informed society through the provision of psychotherapy, outreach education, and our comprehensive training program.

**DUTIES & RESPONSIBILITIES:**

- Provide individual psychotherapy to survivors, significant others, and allies impacted by sexual trauma
- Perform assessment, treatment planning, ongoing documentation, and termination services
- Maintain accurate and current patient records and scheduling using practice software
- Attend and participate in weekly supervision and consultation
- Collaborate with outside providers (e.g., psychiatrists, parents, etc.) as needed
- Facilitate a support group of Era
- Participate in outreach education presentations

**MINIMUM QUALIFICATION & EXPERIENCE:**

- Registered Marriage and Family Therapist Associate with the BBS
- At least two years experience working in sexual trauma, domestic violence, and/or social justice communities
- Desire to specialize in treating sexual violence
- Experience and practice in Psychodynamic Psychotherapy
- Passionate, collaborative, and devoted professional to join our focused team

**COMPENSATION:** Competitive compensation dependent on experience

**SCHEDULE:** (900-500PM) Mondays and Fridays (Individual psychotherapy)  
(530-700PM) Tuesdays or Wednesdays (Group psychotherapy)  
- Minimum 12 to 15 patient hours  
- Available to work one evening a week

**APPLICATION PROCEDURE:** Please e-mail all documents to Kim Panelo Xue ([kpxue@era-center.org](mailto:kpxue@era-center.org))

**1. Cover letter**

**2. Resume**

**3. Three references**

**4. Answers to the following questions:**

- What could you contribute to this center and its mission to serve survivors?
- What is your familiarity or experience with Psychodynamic Psychotherapy?
- How do you consider yourself a trauma-informed clinician?
- How has it been working during the pandemic? And what did you learn about yourself?
